ONSITE PROJECT TEAM

**BRIAN MARTIN**

*Project Superintendent*

(P): 612-819-8195 |  
(E): BMARTIN@STAHLCONSTRUCTION.COM

Brian is the main point of contact onsite, oversees the work onsite every day, and manages the trade contractors. He will be the information center around which all activity takes place and will assume the responsibility for creating and maintaining the proper work environment, interpreting the design documents, translating the design documents into coordinated work assignments, and monitoring overall performance for time and quality.

\*PRIMARY CONTACT

**RYAN BYRNE**

*Project Manager*

(P): 612-499-3528 |  
(E): RBYRNE@STAHLCONSTRUCTION.COM

Ryan serves as one of the main points of contact onsite and oversees paperwork and the thousands of details that go into making up a successful construction project. Ryan will also maintain the budget and manage the change order process.

LEADERSHIP TEAM

**DEB ALDRICH**

*Senior Project Manager*

(P): 612-490-7349 | (E): DJALDRICH@STAHLCONSTRUCTION.COM

Deb has been heavily involved in the front end of this project since its inception, helping to define the project, setting goals for the construction team, and getting the project off to a good start. Now that construction has begun, she oversees and directs overall team performance.

**FRANK CLARK**

*Director of Strategy and Development*

(P): 612-414-2050 | (E): FCLARK@STAHLCONSTRUCTION.COM

Frank provides leadership and overall strategy for efforts across the Stahl platform. His involvement with this project has been focused on development aspects. Frank adds value in the overall project delivery process by offering strategic leadership to the team.

**JESSIE HOULIHAN**

*President*

(P): 612-916-6212 |  
(E): JTHOULIHAN@STAHLCONSTRUCTION.COM

Jessie sets the tone for the organization and expanded team's management, strategic project approach, integrated process, and communication. She unites common goals and efforts across teams to drive maximum impact.
